Subject: Update on Preparations for Viwentiaa 2026

Dear Professor,

I hope this message finds you well. I am writing to provide an update on the preparations for our annual tech-fest, Viwentiaa 2026.

So far, we have completed the following tasks:

Finalized the list of events and competitions to be conducted.

Secured sponsorships from three local tech companies.

Booked the main auditorium and seminar halls for workshops and keynote sessions.

Designed and launched the official event website and social media pages.

Coordinated with student volunteers and assigned responsibilities for logistics, registrations, and hospitality.

Currently, the following tasks remain:

Finalizing the guest speakers and confirming their travel arrangements.

Completing the decoration and stage setup plans.

Printing banners, posters, and participant kits.

Conducting a dry run of the schedule to ensure smooth execution.

We are confident that with the team's dedication and your guidance, all pending tasks will be completed on time. Please let us know if you would like us to prioritize any specific area or if there are additional points we should address.

Thank you for your continued support.
